Purpose of Scholarship

To provide financial assistance to a student with an interest in pursuing higher education, a career in banking and playing a role in the future development of their local community. This scholarship is in honor of Art Harris, former CEO of Great Plains Bank. Art embodied community, with his innate ability to connect with everyone he met. He took time to get to know the person on the other end of a hand shake, or more likely a big hug. He believed so much in others that he was known as the banker who would take a chance on someone if he knew him or her, and there was a good business plan to back the deal. Art was dedicated to the community he called home. He invested what he could back to the community through sporting events, school activities, business deals and most importantly, friendships.

Award

Up to three **Great Plains Bank Art Harris Scholarships** will be awarded annually, payable to the recipient's educational institution for tuition, fees, books and/or room and board, and will be awarded as follows:

- \$2,500 per semester for a total of two semesters, to equal a total of \$5,000 for one school year
